## PUBLIC NOTICE

### BRIDGE PERMIT APPLICATION FACIANE CANAL NEAR SLIDELL, ST. TAMMANY PARISH, LOUISIANA

All interested parties are notified that an application from WATERFRONT DEVELOPERS, L. C. has been received by the Commander, Eighth Coast Guard District, for approval of location and plans for a bridge over a navigable waterway of the United States.

**WATERWAY AND LOCATION:** Faciane Canal, mile 0.1, near Slidell, St. Tammany Parish

**CHARACTER OF WORK:** The proposed project consists of constructing a movable bridge from Carr Drive to Paradise Island across the Faciane Canal. The proposed bridge will be 135 feet long and will have a clear roadway width of 12 feet. The movable bridge will be a bascule bridge providing 20 feet of horizontal clearance between the fender system. The vertical clearance of the proposed bridge in the closed-to-navigation position is 5.7 feet above mean high water, elevation 1.3 feet above Mean Sea Level (MSL) and unlimited in the open-to-navigation position. Issuance of this permit does not relieve the permittee of the obligation or responsibility for compliance with the provisions of any other law or regulation as may be under the jurisdiction of any other federal, state or local authority having cognizance of any aspect of the location, construction or maintenance of said bridge.

### MINIMUM NAVIGATIONAL CLEARANCES

#### EXISTING

No existing bridge

#### PROPOSED

Horizontal: 20 feet  
between fenders

Vertical: 5.7 feet above mean high  
water, EL. 1.3 feet above MSL,  
in the closed-to-navigation position.

Unlimited in the open-to-navigation  
position
