Dennis is working with a company to see about putting up License Plate Cameras at the front to record vehicles coming and going, so if there is an issue the police can review the time frame and see who was coming and going around the time. It will also look for stolen vehicles and report directly to the police department. The cost for the service would be about 210.00 per month to operate and maintain.

There is a person offering Concealed Firearm Permit Course for 100.00 plus Range Fee. This course is the 1st step to getting a CCP License. The person offering the course will be at the meeting if you are wishing to sign up or talk.

We are working to get our Parish Rep at the meeting Jake Airey to discuss the Beach and other neighborhood issues.

The Northshore Volunteer Fire Department is looking for a donation of a Pontoon Boat, does not need an engine. The Donation can be Tax Deductible.

We hope to see a lot of you at the meeting as we try to get over the COVID protocols and want to get the neighborhood back to having functions and events. There have been a lot of new neighbors building and moving in, so if you had a problem in the past, please leave it there and come and start anew.
